It is with pleasure that I approve your appointment
as a DCI Fellow at the Center for the Study of Intelligence.

I am sure that your study of the growing trend in
foreign parts of the world to expel vast numbers of people
in the guise of refugees in order to further domestic and
foreign policy goals will prove fruitful and result in
files that will have great utility to US policymakers.

I extend my congratulations on your selection by the
Training Selection Board.

Yours sincerely,

/s/ STANSFIELD TURNER
